(‘EVR’ or the ‘Company’)

**Update to Agreement with Facebook Technologies, LLC**

EVR Holdings plc (AIM: EVRH), a leading creator of virtual reality content, is pleased to announce that its subsidiary **MelodyVR Ltd (“MelodyVR”)** has entered into an addendum to its distribution agreement between MelodyVR Limited, and **Facebook Technologies, LLC f/k/a Oculus VR, LLC (“Oculus”)** (the **“Agreement”**).

As part of the Agreement, the Company will release a new version of the MelodyVR music platform, featuring updated features and functionality, for use on a forthcoming Oculus Device. The Company will receive a financial contribution to offset MelodyVR’s production and development costs as part of the Agreement. The new version of the MelodyVR platform will contain both new and existing content, and will offer a similar look and feel to the version currently available on Oculus Go and Samsung Gear VR, with enhanced functionality. Following the launch, the product may also be made available on other platforms.

**Anthony Matchett, CEO of EVR Holdings, said:** “As VR technology continues to rapidly develop, we’re excited to add new features and functionality to the MelodyVR platform and for Oculus to release new hardware, which will no-doubt lead to increased user adoption of VR devices. We look forward to working with Oculus throughout 2019 and appreciate their partnership and support to-date.”
